Foreword

Ashoka Sarma, Secretary

"Our vision strives for a world in which people of all ages with special needs can wholeheartedly and actively engage as integral members of society, leading lives filled with dignity."

Highlights

Highlight 1: Annual General Meeting

Annual General Meeting, a vital moment where we the board members have united and the event brought us together to share ideas and propel our organization forward for the betterment of our community exchange ideas and advance our organization, thereby benefiting the community. During this gathering, we reviewed the past year, planned for the future, and charted our course ahead.

The vibrant festival of Rongali Bihu was celebrated with great enthusiasm at Projonmo, a center dedicated to children with special needs. The celebration brought joy and a sense of cultural unity among the children, their families, and the staff. Traditional Bihu songs and dances enlivened the atmosphere, with the children participating in various activities tailored to their abilities and interests. The event was not just a celebration of Assamese culture, but also a testament to the inclusivity and support that Projonmo strives to provide. The smiles on the children's faces and the shared moments of happiness highlighted the essence of community and the spirit of Rongali Bihu, making the day a memorable one for everyone involved.

Highlight 2: Rongali Bihu Celebration

Highlight 3: Autism Month Celebration

On April 22nd, Projonmo hosted a special event to mark World Autism Month with Dr. Gayatri Bezboruah, Professor, Pediatrics department at Gauhati Medical College as Chief Guest. They celebrated special needs, with kids from Projonmo therapy center and daycare unit, showing off their talents, along with their mothers. The highlight was the mothers and their children walking down the ramp together, creating a lasting moment for everyone to cherish.

World Health Day celebration, which took place on April 7th. This year, we focused on promoting dental health with our Free Dental Checkups initiative at Projonmo.

- Key Highlights:
- Participation: Over 70 children participated in the free dental checkups.
- Community Engagement: We saw tremendous support from parents fostering a sense of community and awareness about dental health.
- Education: Alongside the checkups, educational sessions on dental hygiene were conducted, equipping children and parents with essential knowledge for maintaining oral health.
- Impact:
- Positive Feedback: Both children and parents expressed gratitude for the initiative, emphasizing the importance of dental health.
- Increased Awareness: The event successfully raised awareness about the significance of regular dental checkups and good oral hygiene practices.

Highlight 4: World Health Day Celebration

Johan Aziz, a vibrant 5-year-old, embarked on a remarkable journey of growth and development after being diagnosed with ADHD disorder. His story with Projonmo began on June 20th, 2023. Over the course of his therapy sessions, Johan's remarkable progress became evident. Through a combination of tailored interventions, patience by our therapists Johan began to thrive in both academic and social settings. On April 25th, Johan celebrated a significant milestone as he was discharged from Projonmo, his progress shining brightly as a testament to his hard work and the dedication of his therapy team. As he takes this next step forward, we at Projonmo extend our heartfelt wishes for Johan's continued success and happiness.
